

IN THE SENATE OF THE UNITED STATES.

MARCH 2, 1893.—Ordered to be printed.

Mr. MANDERSON, from the Committee on Printing, submitted the following

REPORT:

[To accompany letter of transmittal of the National Academy of Sciences, transmitting report of its operations for the past year, submitted by the President of the Senate and referred to the Committee on Printing.]

The said committee having considered the same, report it back with the recommendation that the usual number of the report be printed.

The cost will be \$125.

The copy contains the report proper for 1892, without the memoirs, the latter having been ordered printed with the report of 1891.
